

Sådan uploader du hjemmearbejde til din mappe på Google Drive // How to upload homework to your folder on Google Drive

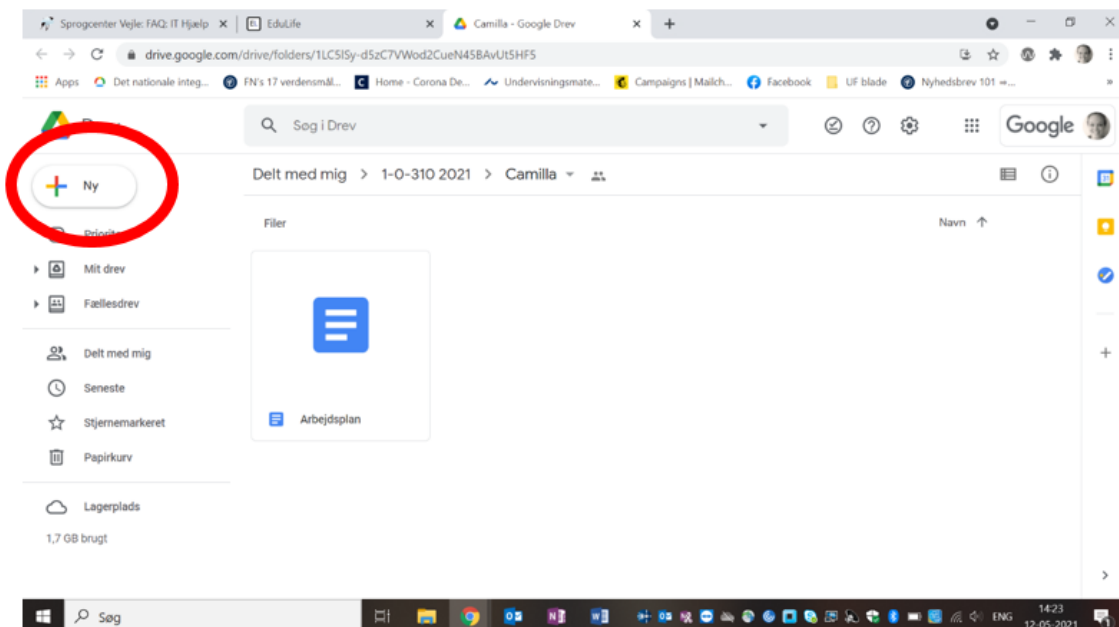

1. Du er på Edulife, på dit hold. Find mappen med dit navn. Klik på dit navn.

You are on Edulife, on your class page. Find the folder with your name. Click your name.

2. Her er din mappe, hvor din underviser også har adgang. Klik "Ny".

Here is your folder, to which your teacher also has access. Click "Ny".

3. Vælg "Filupload" for at uploade en fil fra din PC.

Vælg "Google Docs" for at oprette et nyt dokument, du kan skrive dit hjemmearbejde i.

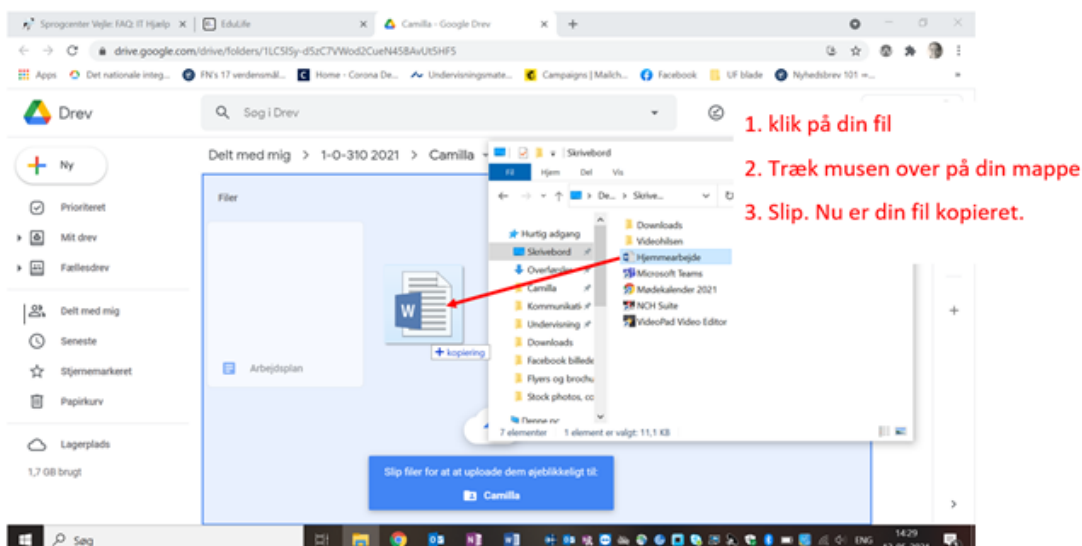

Choose "Filupload" to upload a file from your PC.

Choose "Google Docs" to create a new document in which you can write your homework.

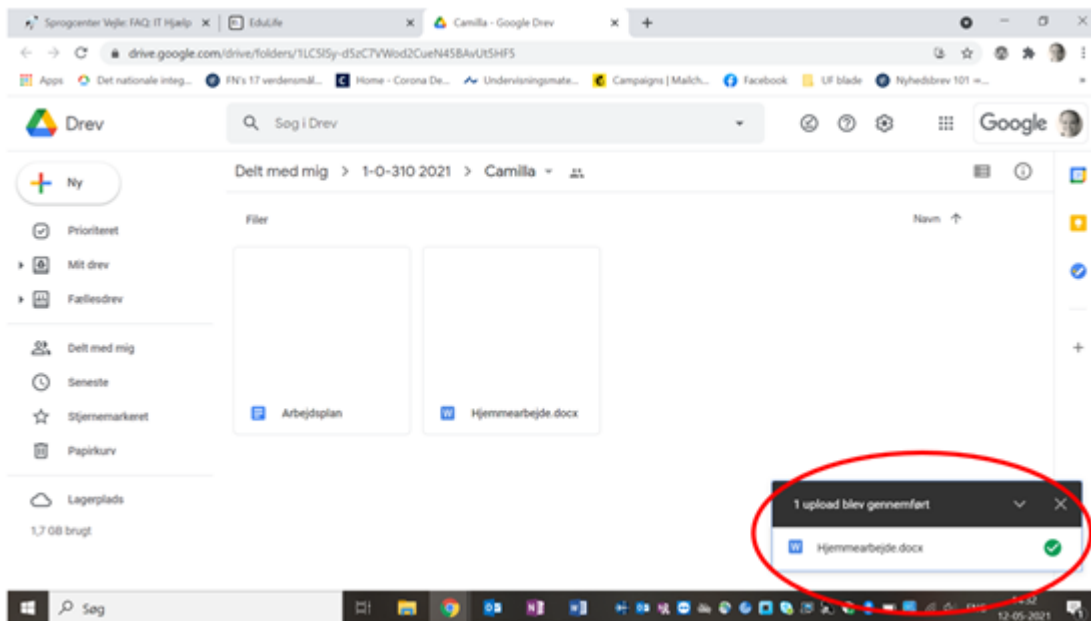

4. Du kan også uploade en fil ved at klikke på den i mappen på din PC, trække musen over til din Google Drive mappe og slippe.

You can also upload a file by clicking the file in its folder on your PC, then dragging the cursor to your Google Drive folder and drop.

Din fil er kopieret til din mappe på Google Drive.

Your file has now been copied to your folder in Google Drive.

5. Nu kan din lærer se dit hjemmearbejde og give dig feedback.

Your teacher can now view your homework and give you feedback.
